Reference: UH Invention Disclosure No. 01140
"Autonomous Plant Watering Device"
Disclosed February 23, 2017

Dear Dr. Mora:

Thank you for your invention disclosure, referenced above, to the University of Hawai'i. In accordance with the Board of Regents Policy 12.205, *Patent and Copyright Policy* and Executive Policy 12.205 *Administration of the Patent and Copyright Policy*, the University of Hawai'i hereby waives and quitclaims any right, title and interest it has or may have in the above referenced invention. Subject to any obligations or restrictions that may be imposed by any agencies that funded the original research, if any, and the claims of any co-inventors, you are henceforth free to pursue commercialization of the above referenced invention on your own outside of the University. If the invention was funded by a federal agency or other extramural sponsor, you may need to contact the sponsor to obtain an assignment to the invention rights.

Please contact Leigh-Ann Miyasato if you have any questions concerning this matter. We appreciate your compliance with the University's policies and participation in the technology transfer process at the University of Hawai'i. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Vassilis Syrmos", with a large, stylized flourish extending to the right.

Vassilis Syrmos
Vice President for Research and Innovation
